President McIntosh

Dr. **F. Bringle McIntosh**, President of Ohio Northern University, received his A.B. from DePauw University, S.T.B. from Boston University, and holds an honorary D.D. from DePauw University.

During his three and one half years as administrator, much has been accomplished on the campus of Ohio Northern. His constant efforts have been to bring to reality the complete accreditation of the University.

Dr. McIntosh is a man of insight into the demands of the present world situation. "The great cry of my generation is not for keener minds . . . not for vaster knowledge . . . but for men and women with these instruments in hand, consecrated to great and good purposes."

The Board of Trustees

Shown above are representative members of the Board of Trustees. They are, left to right: Dr. J. Boyd Davis, Dr. John H. Clark, Chairman; Mrs. Frank B. Willis, Dr. Harold J. Bowers, and Judge Edward S. Matthias.

Ohio Northern University operates under a charter granted by the State of Ohio. Legal title is held by the Ohio Annual Conference of the Methodist Church. Control is vested in a Board of Trustees, ten of whom are ministers and laymen elected by the Ohio Annual Conference. The alumni elect one member of the board each year, for a term of five years, making five members in all. The other seven members are elected as trustees-at-large by the board itself. These seven are made up of prominent alumni, business men, industrialists, and churchmen.

The Board of Trustees meets regularly twice a year. A number of committees are set up to care for specific tasks between meetings. Special meetings are called when occasion demands.

The President of the University is elected by the Board of Trustees, and when a minister, is appointed by the resident Bishop of the Ohio Area. The president's authority comes from the Board of Trustees and the Methodist Church. He is charged with the responsibility of implementing the plans and program of the university as authorized by the trustees.

Warren L. Hickman

The Dean of the University

The office of University Dean is a new one. The late Dean Otte was the first to be appointed to this office. The Dean of the University is responsible to the president and is charged with the academic administration of the university. He works with the president in the selection of faculty members, supervises the curricula, correlates the work of the four colleges, and counsels with the deans, department heads and faculty members on educational procedures and trends. He also serves on the executive committee, with the Director of Public Relations and Business Manager. The president consults with this committee in administrative matters.

Dean of Women

Mrs. Mary Dorothy Link, Dean of Women, came to Ohio Northern in 1951 as an instructor in freshman English, and succeeded Mrs. Alice Webb as Dean of Women during the summer quarter. She was graduated from Wittenberg College with an A.B., and received her M.A. from Columbia University. She holds membership in the American Association of University Women and several professional educational associations.

Dean Link has resigned her post as of June 1, 1953. At this time, we wish to express our gratitude for the time and effort which she has devoted to the students here at Ohio Northern.

Dean of Men

Appointment of Fred R. Clark as Dean of Men became effective in the fall of 1951. In addition to his duties as Dean of Men, he is a professor in the College of Pharmacy, and serves as the faculty advisor for the Interfraternity Council.

Pan Hellenic Council

The Pan Hellenic Council, which is composed of two members of each sorority, is the center of sorority life on campus. This organization is under the advisorship of Dean Link.

This group sponsored the annual Tri-Sorority formal, which is one of the highlights of the spring quarter. The dance was held this year on May 22, in Findlay.

The council is a governing body for the sorority members, and through it the traditions of sorority life are upheld.

Phi Chi

The membership of the Phi Chi Sorority doubled when summer vacation time rolled around. Our winter rush party, "Opera Premier," was a huge success.

On February 6 we held our winter formal, Neptune's Paradise, at the Student Center. An enjoyable time was had by all. Other social activities included a Christmas party and several informal dances.

The officers for the year were Judy Runkle, president; Nancy Brown, vice-president; Marilyn Hitchcock, secretary; and Betty Muskoff, treasurer.

Theta Phi Delta

Theta Phi Delta was organized in 1909. After the sororities on Northern's campus had been barred for nine years, Theta Phi Delta was the first sorority to reappear.

Throughout the school year of 1952-53 we won the following trophies: Basketball, Volleyball, and May Day Float. This year our president, Norene DelBene was elected Homecoming Queen.

The sorority's rush party was held on January 20 at which time eight girls became pledges.

The officers of the sorority were: President, Norene DelBene; Vice-president, Ruth Conklin; Secretary, Beverly Clouse; and Treasurer, Joan Probst.

Inter-Fraternity Council

The Inter-Fraternity Council has acted for many years as an agent to unify, both socially and administratively, the fraternities and the University. The council's membership consists of the presidents of the various fraternities here on campus.

This group holds weekly meetings, where plans are originated for such campus affairs as fraternity homecoming programs, the inter-fraternity sports program, and fraternal social events. The council makes and receives suggestions through their faculty advisor, Dean Clark.

Alpha Sigma Phi Fraternity was founded at Yale University, December 6, 1845. It was established at Ohio Northern University in 1942. After a brief period of inactivity during the war years it was reactivated in 1948.

The major project of this past year was the redecorating of the entire downstairs of the cardinal and stone house. This enormous task was a complete success because of the untiring and combined efforts of the entire brotherhood.

Our spring formal was held May 23, 1953. This dance climaxed our activity for the 1952-53 year and may well be classed as one of our most successful years here at Ohio Northern University. The officers for this year were:

President	Paul Zickes
Vice-president	Dick Conrad
Secretary	Willis Johnson
Treasurer	Joe Partelano

Theta Kappa Phi

Zeta chapter of Theta Kappa Phi celebrated its twenty-seventh year on the Ohio Northern campus by burning the mortgage on the "house on Irish Hill" during the 1952 Homecoming. It has been a successful year, with some forty actives and pledges engaging in social and athletic activity on the campus. On the fraternity scale, we were honored by receiving the 1952-53 Nations Publications Award for our chapter paper, and ranked first in scholarship among all the chapters of the national group. We were host to the Annual Tri-Chapter meeting of Ohio chapters. With the end of the school year, fifteen seniors left the ranks of the brotherhood to enter their chosen paths of endeavor.

The officers of the past year included: Guy DeSanctis, President; Russell Gibbons, Vice President; Vincent GilMartin, Secretary; Richard Jenkins, Treasurer.

Delta Sigma Phi

Delta Sigma Phi, like all other social college fraternities, purposes to give its members that intimate, beneficent fellowship with good men, so necessary to their full development, and to supplement their cultural and professional education with training in those qualifications for citizenship and leadership which are not directly part of the university function.

The fraternity's primary duty is the support of the University in its effort to give the members the education and training they desire for the work which they have chosen. This chapter of Delta Sigma Phi has been, and will be a positive, active support to this University since its establishment at Ohio Northern in 1920.

The N-Men's Association is one of the most active of all campus organizations. It is composed entirely of Ohio Northern letter men, those who have earned an "N" in some athletic enterprise, such as football, basketball, baseball, track, tennis or golf.

Last year the N-Men helped with the May Day activities by sponsoring a float for the May Day parade. This year they plan to contribute to the senior class drive for a new scoreboard.

The Women's Athletic Association offers women students an opportunity to participate in numerous sports. During the year kickball, volleyball, basketball, and softball tournaments were played, and trophies were awarded to the winning sorority and independent teams.

The W.A.A. Review was presented on March 5 and 6. This program, which consisted of modern dancing, was very successful. The proceeds were spent for trophies, and pins, sweaters, and blankets which are awarded to the members on a point basis.

Chorus-Choir

The Ohio Northern Chorus-Choir, under the leadership of Professor Karl A. Roeder, and composed of students from the four colleges in the University, spent a very enjoyable and entertaining year on the campus, throughout Ohio, and in the East.

At Homecoming there was a reunion of choir members of the past and present as the strains of the O.N.U. Hymn were sung by graduates and undergraduates at the morning Alumni meeting.

As winter drew near, preparations for the annual Choral Cabaret come into full swing. The backdrop of the skyline of New York carried out the theme "Penthouse Party" and musically "Manhattan" and "Penthouse Serenade" added to the big town atmosphere.

Winter quarter was just coming to a close when the choir made its television debut. On March 4th, forty members donned their photogenic faces and traveled to Toledo to warble on the airwaves over WSPD. As yet no one has received a full-term contract!

The Eastern tour was anxiously awaited by all who had heard tales of Burnt Hills and the Wellington, and on April 15th the choir again climbed aboard the Greyhound and took up various pastimes until we arrived at the first stop, Euclid, Ohio. Buffalo, Rochester, Burnt Hills, and Poughkeepsie were the whistlestops on the way to the great metropolis. After two days of climbing to the top of the Empire State Building, sailing around Manhattan, shopping on Fifth Avenue, and visiting stage plays, the choristers reluctantly left New York City, hoping to return again next year. Ten days after they had departed from the metropolis of Ada, the weary bus load wheeled back onto the campus, none the worse for wear.

The final concert of the season was the Spring Concert, presented in Lehr Auditorium in May.

Under the direction of Prof. Robert Weidner, the Ohio Northern University Band has grown from an insignificant group to a promising campus organization with a membership of thirty.

The band played at several football games including Homecoming, gave two assembly programs, and participated in various other activities. The highlight of the year was the Winter "Pops" Concert which was presented on February 25th. This concert was a big success, and the members hope to make it an annual event.

They hope that this year was only a sample of what the band can do and that it will continue to grow and improve in the future.

Lutheran Student Association

The Lutheran Student Association is composed of all the Lutheran students on the campus. It is a part of the national Lutheran Student Association, and students are entitled to participate in the national organization's activities. The local organization holds meetings every two weeks at the Student Center. Some of the meetings are social and others are religious programs of various types.

The chief purpose of this organization is to better understand how to cope with every-day problems, and to promote Christian living.

This year the student chapter of A.I.E.E. completed its fortieth year on Ohio Northern's campus. Since its founding in 1912, the American Institute of Electrical Engineers has adequately performed its task of strengthening the bonds between the student engineer and his field. In addition, the society has done much to aid the student by showing him, not only the concrete principles, but also the abstract values of his future occupation. The means to these ends are research papers by the students, guest speakers, movies, and inspection tours to electrical plants.

The 1953 Northern was headed this year by Marcella Fuller as Editor and Frank Farrington as Business Manager. Some dozen students made up the annual staff as copyreaders, typists and editorial, business and departmental heads. Photography was done by Gil Franklin and Chief Clyde Lamb. Professor Robert Price of the English department served as faculty advisor.

University Makes Technical Strides

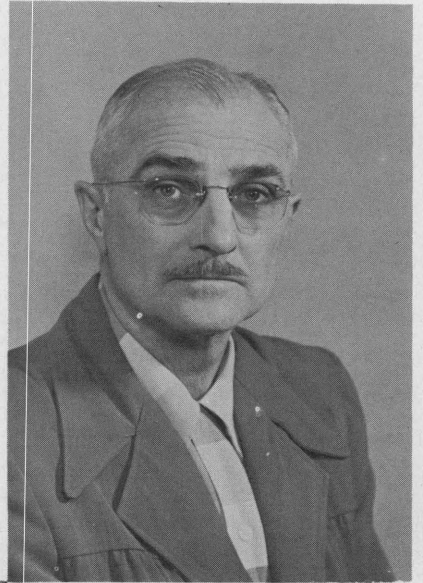

In March the university's "Project A," the Investigation of Phenomenon, released their first quarterly report on the study of flying saucers. The project was set up in the summer of 1952 in order that a purely scientific and rational investigation could be made of the unidentified aerial objects which have been reported during the past five years and commonly known as flying saucers. Ohio Northern was the first college to undertake such a study with almost the entire faculty co-operating. Reports have been sent to the university from all over the nation, and foreign countries as well. National prominence was given to the ONU project by news and scientific commentators during the course of the year. Here Dean Warren Hickman and Eric Turner study one of the many models submitted. Dean Hickman and Turner were named co-chairmen of the project.

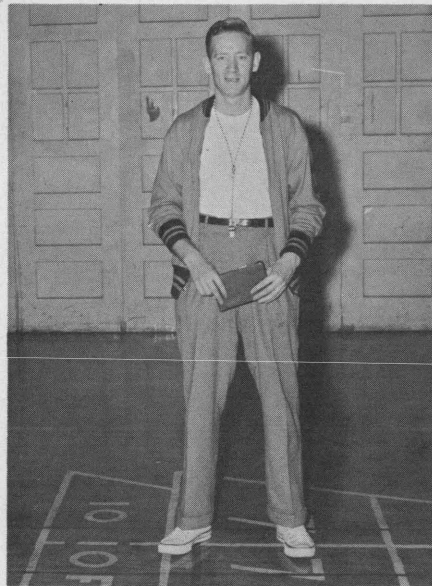

In February the college of engineering held their first open house since the moving to their north campus building. During the fifty-first observance of Engineer's Week thousands of dollars of new technical equipment was shown to visitors. Above one of the new testing machines are being shown to student observers.

MID-OHIO GRID CHAMPS 1952

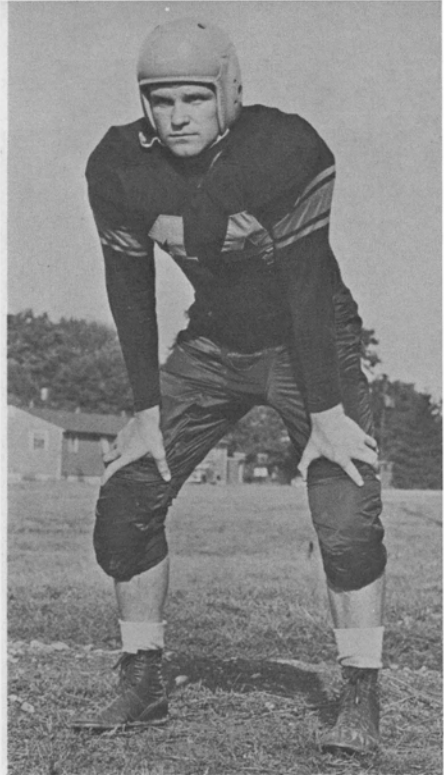

The grid round-up for the 1952 season found the Ohio Northern Polar Bears in proud possession of the Mid-Ohio Crown. The over-all record saw the Orange and Black hold a 7 and 2 advantage over the opposition. After dropping the first two games, the men of Clyde Lamb went thru the rest of the campaign in splendid fashion. The highlight of the season was the victory over the Findlay Oilers. Coming from behind, the Polar Bears played heads-up ball to capture the Findlay tilt by a score of 35-14. The crowd that was on hand at Memorial Field spent most of the time on their feet as a stouthearted Northern squad fought to overcome an early lead and go on to win.

The Ohio Northern University Football team was bolstered this year with three backfield artists from Massillon High, namely Willie Longshore, Ace Crable, and Paul Francisco.

The 1953 season also marked the close of Jack Decker's brilliant football career for ONU. Jack, who gained more than a mile and a half on the ground and was top scoring back in his four year stay, received honorable mention on the INS All-Ohio listing during the '53 season.

OHIO NORTHERN CAGE SQUAD

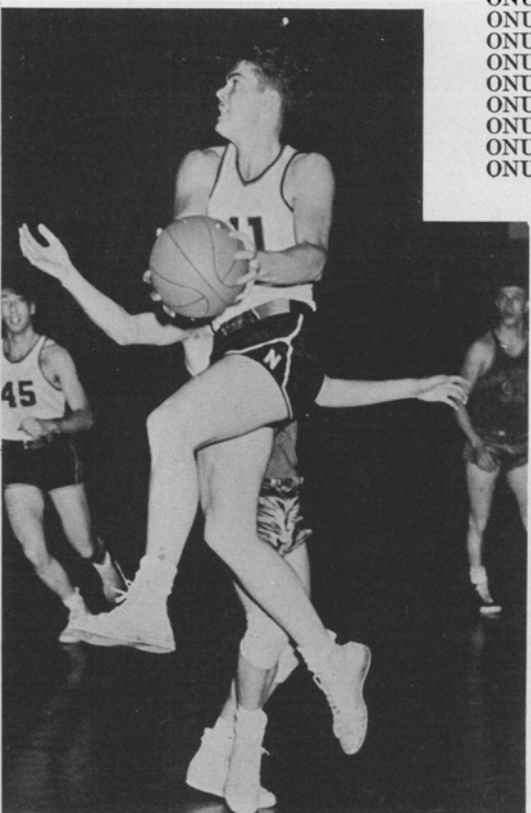

Ohio Northern University's Cage squad of 1952-'53 set a new mark for future teams to shoot at while playing under the colors of ONU. It was the fourth year for Coach Marv English, and under his tutelage the Polar Bears notched a **15** and **5** record while piling up a grand total of **1,749** points. Fifteen men saw varsity action during the season, and every man contributed to the total points with senior letterman Bob Rupert setting the pace with **539** points. This in itself was a new record for individual play in the annals of ONU sport history. Among the other members of the varsity squad, the names of Don Kling and Jim Stahl stand out for outstanding rebounding and excellent floor play, respectively.

In state ranking, Ohio Northern was fifth, with that same number designating the number of times the Polar Bears cracked the century mark in score.

ONU COPS MOL CHAMPIONSHIP IN TENNIS AND GOLF

TENNIS

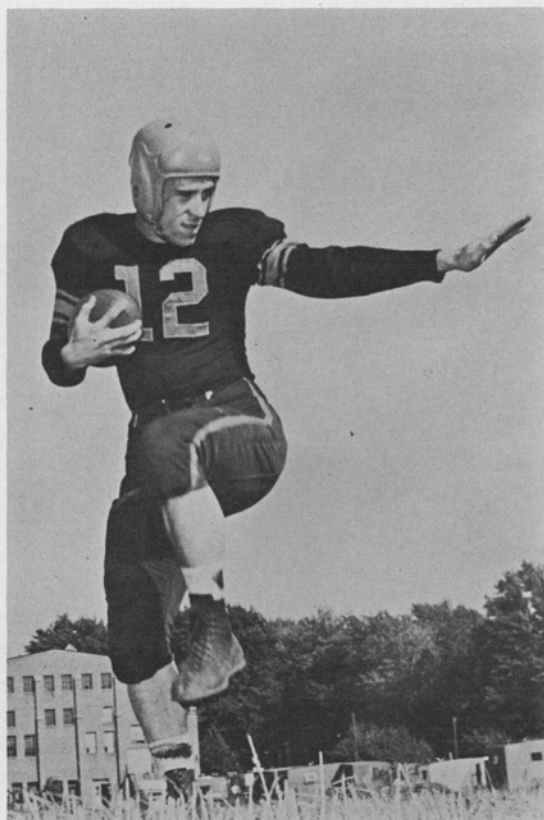

The Ohio Northern University racket-wielders, under the able guidance of Coach Warner Peterson, walked off with the championship of the Mid-Ohio Conference for the second straight year. With Leon Golden holding the singles honors, and the combination of Golden and Faut comprising the doubles championship combination, the strong Northern team successfully defended the crown which they won the previous year.

GOLF

In golf, the strong quartet of Dick Zurz, Joe DaPore, Lou Cunzolo, and Martin Lewis, turned in a 7 and 1 record for the season to capture the MOL first place trophy. Dick Zurz won medalist honors in the league, shooting brilliantly all season.

TRACK

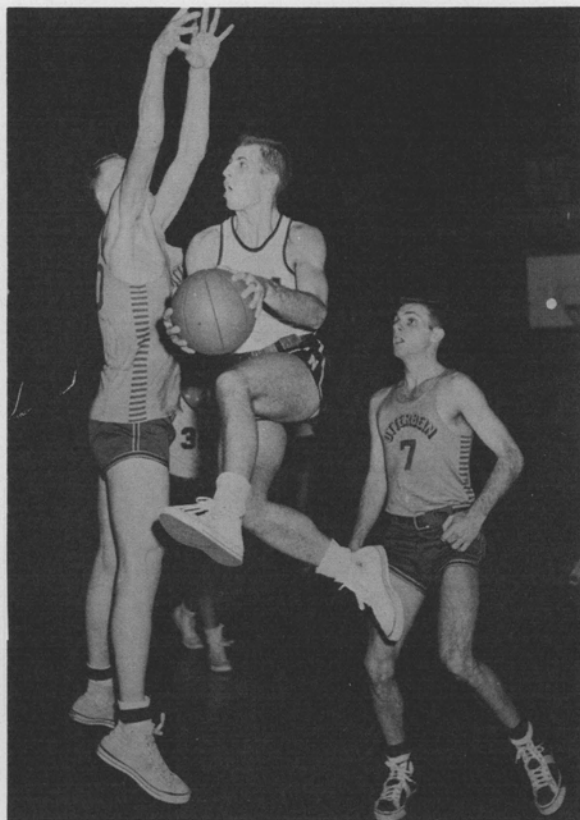

The up and coming ONU track squad saw more members join its ranks as the activities began on the cinder track at Memorial Field. With R. Mains winning honors in the 440, the squad looked well in competition.

JACK DECKER

Jack Decker's play on the gridiron has been nothing less than spectacular since he first donned the Orange and Black of ONU in 1949. A hard charging back with plenty of guts, Jack proved to be the backbone of the Northern squad more than once. A triple threat back in the old sense of the word, Decker not only passed, punted, and carried the ball, but was also a standout on defense. When the Polar Bears were looking for an extra point kicker last year, the chore was awarded to Decker. Although he never did place kicking for extra points before, the talented lad booted 24 out of 33.

Jack Decker's four year record shows a total of 2,668 yards gained rushing in 416 tries. He piled up a total of 228 points, of which 204 were garnered on T.D.'s. In the final analysis, iron man Decker averaged 6.4 yards per try and any way you look at it, he will be mighty tough to beat.

BOB RUPERT

To the future cagemen of Ohio Northern University: set your sights high if you plan to eclipse the marks set by the Spencerville flash, Bob Rupert. This lad, with his unorthodox foul shooting stance, amassed a total of 1,126 points in his 73 games, during his four tenure. He also broke the one-game individual scoring mark with 49 points, and holds the distinction of having made the most foul shots in his senior year—133. Bob has seen a total of 33 hours of varsity court action on the hardwoods.

An all-around athlete, "Rupe" also led the Polar Bears in baseball with a .348 batting average. In addition to this, Bob is also very active in fraternity sports.

Varsity Baseball

THE 1952 DIAMOND ACTION

The Northern varsity baseball squad virtually matched run for run against their opposition, but came out on the fat end of the record holding a 5 and 4 advantage. Team Captain T. Noblet and defensive sparkplug Georgie Adams led the RBI column with eight apiece. Dutch Kling sparkled on the mound, and was the most effective pitcher available. The offensive honors came off the bat of Bob Rupert, who hit at a .348 clip, while the defensive honors went to Bob Brookhart with a .965 fielding average.

Girls' Varsity Basketball

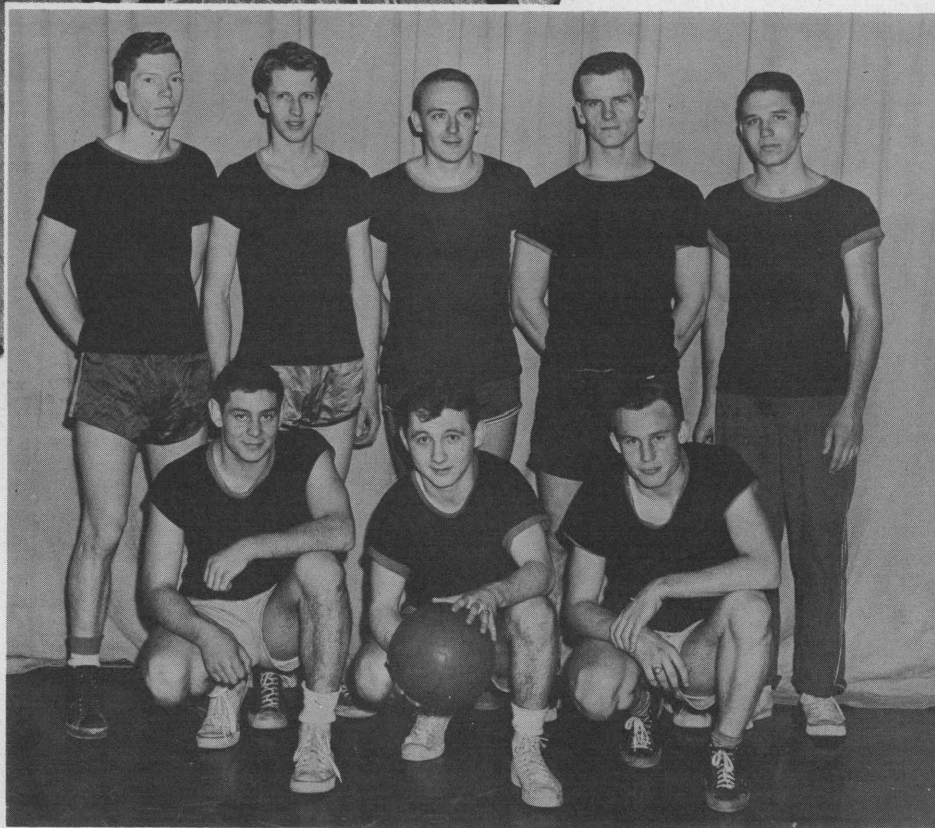

Ohio Northern University, after a gap of a couple of decades, was proud to floor a girls' varsity basketball team that competed in intercollegiate play. Among the opposition were girls' teams from Findlay, Heidelberg, Bluffton, and Miami Colleges. The highlight of the season was the game which pitted the **ONU** girls against the girls from Findlay. It was on this occasion that the two outstanding hoopsters of the feminine gender turned in their finest performance. With Carol Perlowski blazing the nets for 38 points and Dorothy Sopko hitting for 30, the Ohio Northern Girls turned in a '72-31 victory over the opposition from Findlay College. Mrs. Mozelle Pickering is responsible for the very fine athletic program which she has set up for the girls during the past few years. It was thru her very diligent work that the university was able to point with pride to the athletic program that was open to all women of the university.

ALPHA SIGS TAKE '53 CAMPUS HONORS

The Alpha Sigma Phi sport machine has again found the combination to success by taking honors in the All-Sport race for the fourth consecutive year. It was another year of "almost" for the other fraternities as the Theta Kaps "almost" beat the Sigs in football, and the Sig Eps "almost" beat them in basketball. The last time anyone besides the Sigs won the All-Sports trophy was back in 1948 when the Theta Kaps turned the trick. Everyone has been waiting for the law of averages to come into play, but the Sigs busy themselves with the time-honored principle of constant practice.

Hats off to the Alpha Sigs for top honors in the fraternity race again in '53.

FOR BETTER OR VERSE

I think that I shall never see
A girl refuse a meal that's free;
A girl whose hungry eyes aren't fixed
Upon a drink that's being mixed;
A girl who won't forever wear
A bunch of junk to match her hair;
A girl who looks at boys all day
And figures ways to make them pay.
Girls are loved by jerks like me
'Cause who would want to kiss a tree.

I wish I were a moment
In my professor's class
For no matter how idle moments are
They always seem to pass.
